

TOILET ROLL WRAPPER | RANDOM ACTS OF KINDNESS PROJECT

IMPORTANT STEPS & INSTRUCTIONS

- Please print wrappers for each toilet roll that you plan to deliver – there are two designs per A4 page
- Select the options '**Scale to Fit**' and '**Fill Entire Paper**' when printing to help with the size & scale
- Cut each printed sheet in half down the length and keep the black lines to provide some contrast
- Wrap the 'Message of Kindness' around the outside of each toilet roll neatly and carefully
- Page 4 is to help fill the gap where the two ends don't meet **± overlap as per the size of your rolls**
- Overlap the two ends and stick them together using sticky tape, double sided tape or glue
- Now you can finally go and deliver them to your neighbour's doorsteps (could letterbox cards too)
- **Your child(ren) should be SUPERVISED AT ALL TIMES ... do it together as a family service project!**
- **PLEASE DON'T KNOCK! For your health and theirs, stay safe and just leave it there anonymously**
- Say a prayer for each home before you walk up to their door – take turns to pray
- Maybe you can also take turns delivering rolls ... like a top secret undercover agent
- **Get some good exercise and have FUN together while being a blessing to others :)**

The background of the top half of the image is a repeating pattern of simple line drawings of toilet paper rolls, scattered across the white space. A central black rounded rectangle contains the quote.

“When you are kind to others,
it not only changes you,
it changes the world.”
